For example, homeless women often have children with them, so emergency accommodation needs to provide rooms with multiple beds, along with nappies, cots, baby-proofed rooms, and appropriate safety and privacy measures. Or trans women are safe and welcomed at our shelter. We have gender neutral bathrooms and private rooms for changing and sleeping for those who need extra privacy. An applicant seeking funding for a homeless service needs to demonstrate that they have considered the needs of homeless women with children, and those who are gender diverse, trans or intersex, whether the proposed service will be available to men and women, or women only.
